① Dear Vice President of Academic Affair

Kasetsart University

Thailand

From Nov 13th through 17th of 2023, USU and CIRAD will conduct the 2<sup>nd</sup> Summer Course on Inclusive and Sustainable Palm Oil Industry (program details are attached). The first summer course was attended by passionate participants and generated fruitful discussions (<https://www.youtube.com/watch?v=oXkdx05J6rw&t=3s>). With this, we hope to strengthen efforts to achieve a sustainable palm oil industry. Through this letter, we request that your students be part of the 2<sup>nd</sup> Summer Course on Inclusive and Sustainable Palm Oil Industry (Please kindly register through <https://bit.ly/SCregistrationform2023>). All the programs will be conducted in person. The program will provide 30 scholarships for local and foreign participants, covering all expenditures during the activities except the return tickets. We expect the student delegates to:

- (1) Have attended courses or participated in activities/organizations related to sustainability.
- (2) Be willing to participate in all activities (13 – 17 November 2023).
- (3) Be willing to send a short clip introducing themselves and their perception of "Inclusive and Sustainable Industry".
- (4) Be able to communicate well in English.
- (5) Be willing to cooperate with other participants from various universities and countries.

We look forward to your response. Thank you.

Regards,  
Chairman

Diana Chalil, PhD
